

An equal opportunity employer, seeks qualified applicants for the following position based out of our **Forest Grove, OR** office.

WILDLIFE TECHNICIANS and CREW LEADERS

Job ID#: OR-02-10

Individuals needed to assist with a variety of bird studies during spring/summer/fall 2010. Positions will vary in duration, starting early April to mid-May and continuing through August and mid-October. Project locations primarily in the Pacific Northwest but may include travel and work elsewhere in the U.S. Duties include one or more of the following: spotted owl surveys, avian point count surveys, radar and visual surveys of nocturnal migrants, radar and visual studies of Marbled Murrelets and other seabirds. Bachelor's degree in biological sciences, bird identification (visual and auditory) skills, valid driver's license, ability to drive a standard transmission vehicle, ability to lift/carry (over short distance) up to 60 pounds, and ability to navigate and traverse by foot remote and steep terrain required. Demonstrated experience with avian field studies (particularly owl or murrelet surveys), data entry, and plant identification skills a plus. Salary \$13.00–\$17.00/hour, depending on qualifications and experience. Please send resume and list of 3 references to: jplissner@abrinc.com, or by mail to: **Jonathan Plissner, ABR, Inc. P.O. Box 249, Forest Grove, OR 97116**. Contact Dr. Plissner at the above e-mail with any questions.
